OBJECTIVE

I am seeking a position as a front-end developer in a professional, results-driven firm where I can apply my programming skills and knowledge of software systems. I aim to contribute to the firm's growth by researching, designing, verifying, and deploying software systems, websites, programs, and applications. My experience with various programming languages will enable me to grow professionally while helping achieve organizational goals.

EDUCATION

Diploma in fitter , National Council for Vocational Training   2021 - 2023
Relevant Coursework: Mechanical Drawing, Machine Tools Operation.

Bachelor of Arts (B.A.) , CSJM University   2018 - 2021
Relevant Coursework: Education.

SKILLS

Technical Skills	HTML, CSS, JAVASCRIPT, TAILWIND CSS, REACT.js, GIT, GITHUB, Responsiveness
Soft Skills	Teamwork, Problem-Solving, Adaptability, Time Management

EXPERIENCE

Frontend Developer   Feb 2024 - Present
30 Days Coding   *Hardoi (Uttar Pradesh)*

- Experienced in HTML, CSS, JavaScript, Tailwind CSS, Git, GitHub, React.js, scalable web applications, web performance, JSON, cross-browser compatibility, programming, software design, optimization techniques, single page applications, debugging, problem-solving, visual design, AWS, and responsive web design.

INTERNSHIP

Frontend Developer   3months
Cognifyz Technologies   *Hardoi (Uttar Pradesh)*

- During my internship as a Front-end Development Intern at Cognifyz Technologies, I developed responsive web designs using CSS media queries. My role included crafting responsive layouts, adding interactive features, and testing webpage responsiveness.

PROJECTS

OpenAI Chat Application. The OpenAI REACT application targets developers, researchers, educators, and anyone requiring advanced natural language processing capabilities. It serves as a valuable tool for professionals working with large volumes of text data or seeking to enhance their applications with powerful language processing capabilities. https://openaiapp.netlify.app

Resume Application. The Resume Application targets job seekers, professionals, students, freelancers, and anyone needing to create and manage their resumes effectively. It caters to individuals looking for an easy-to-use, modern solution for presenting their qualifications and experience. https://resumeapp0.netlify.app/

Signin-Page application. The Signin Page using HTML, CSS, and JavaScript provides a robust and secure solution for users to sign in to their accounts. https://loginpagevikas.netlify.app/
